

Sanford Area Sesquicentennial Salt Seep/Salt Well Guided Tours

June 27 & August 15, 1:00 pm or 3:00 pm
Meet at the Sanford Museum's Parkinglot

Join Charles Dinsmore Sanford Historical Society's President, and amateur geologist, for a visit to the Douglass Houghton plaque and discuss the importance of local salt deposits.

Rail Trail Plaque

Learn about Houghton's attempt to drill a well to reach the salt formation.

The site of the State Salt Well No. 1 is on private property

State Salt Well No. 1

so we will take a short trek to Salt Seep #2 site.
